

Story series

Designed by Anna Karnov & Clara Mahler, Denmark

Story is an elegant series of handmade side, coffee and bar tables. Each design features the distinctively airy front formed by the elegant wooden columns. Transparent enough to show off your favourite items or just covered enough to conceal them behind the playful front. The designers behind it, Anna Karnov & Clara Mahler, wanted to create a long-lasting design that meets changing needs and wishes. Emphasised by quality craftsmanship and the natural oak that changes character over the years and makes each table unique with its own original and beautiful story. The tables are made of FSC-certified wood and each table is assembled with six bolts that are creatively hidden from the naked eye.

Meet the designer

The Danish design duo, Anna Karnov and Clara Mahler, are driven by the creation of a cohesion and connection between their products and the user. Their designs need to be long-lasting as well as being flexible in terms of function and aesthetics. Among other things, the designer duo use the subtlety and ephemerality of time as an element in their design process and as a sustainable and timeless parameter in the end product. That's why they use materials that age gracefully and don't allow themselves to be inspired by fleeting trends. They want their designs to stand the test of time and be able to tell their own story. And this is the idea behind every single design that comes from the hand of the design duo.
