

Track Outdoor series

Designed by Studio Nooi, Italia

Create an outdoor dining area with tactile surfaces, refined proportions and exceptional durability. The Track Outdoor dining table is designed by Italian Studio Nooi to interact beautifully with the Nordic landscape, with a tabletop in solid concrete resting on a minimalist grey or black metal frame. Materials that are carefully chosen for their durability and weather-resistance. Take good care of your outdoor furniture with our specialised care products.

Meet the designer

Studio Nooi was founded by Giulia Pesce and Ruggero Bastita in Torino, Italy. Giulia and Ruggero built their approach to design while studying and working as designers in Italy and Denmark. Nooi derives from the Italian word “noi”, meaning “us” – the idea being that design is never an individual act but rather a collaborative process, involving designers, companies, users, artisans and technicians. Nooi’s designs are always the result of good cooperation between people and influenced by society, art, nature and cultural heritage, and the designers are closely involved at every stage of the project development.
