## SHORT

Maverick paper airplane in solid, smoke stained oak is light and airy – ready for take-off

## LONG

Once you had folded a perfect paper airplane that could go really far, there were no limits to where it might take you!

Maverick is a shining memory of a time when it took just a single “throw” to fly out into the world and land in Africa, the USA and China in no time. This large paper airplane is shaped and created in solid smoked stained oak. Light and airy – always ready for departure. With a thin nylon wire your Maverick will soon be airborne for real ...
