MINIONS BOB - PRODUCT TEXT

DESIGNED BY JAKOB BURGSØ

SHORT

Hail, King Bob! Known from the Minions movies, Bob was briefly the ruler of England. He is now ready for you to own him.

LONG

Meet Bob. King Bob.

Another favorite from the Minions movies, Bob is a Minion who is more childish and immature than most of the other Minions. He is described as a little brother who finds love in anything and everything.

Bob also loves bedtime stories and playing with his favorite stuffed teddy bear, Tim. He was the King of England for a brief period of time during the movie Minions, so it is perfectly OK to refer to Bob as King Bob.

Bob never strays far away from his friends Kevin and Stuart. Keep in mind that the Minions have their own language, so you may be left out of the conversation at times, but if you show patience, Bob and his friends will let you back in.

Bob has led an adventurous life, and he is now ready to settle down and enjoy some downtime with his friends and of course, you!

Take good care of Bob and please consider taking Stuart and Kevin as well. The trio all have great individual personalities, but as a team they are undefeated. Hail, King Bob!
