SHORT

The world famous Moomintroll in solid oak, moving arms. Let Moomintroll keep you company.

LONG

Tove Jansson's Moomintroll is a classic that first saw the light of day in 1945.

Moomintroll is a dreamer and a thinker who thinks that Moominvalley is the safest and most interesting place in the world. That's why he's so curious and brave.

The only thing that makes Moomintroll feel bad is being left alone, so here is your chance to keep him company and share the energizing positivity that flows from Moomintroll.

Let Moomintroll live on as a contemporary design classic as we give you the 1945 beloved character in solid oak featuring moving arms. He can't wait to meet you!
