Sometimes inspiration comes in the unlikeliest of places. The idea for these floating shelves came to Norwegian design duo Gridy when they spotted shelf fungus growing out of a tree. Use as bedside shelves, to display your favourite things in the living room or put herbs stylishly within reach in the kitchen.

About the Designer

Gridy consists of two designers based in Oslo, Norway, specialized within furniture, product and spatial design. We strive to create simple, functional solutions with a strong personality that communicates with the user through recognition of symbols and everyday objects. Gridy often draw inspiration from everyday life and try to combine a rational approach with a dash of humor.
