## CONSTANCE GUISSET

Born in 1976, Constance Guisset lives and works in Paris. Constance Guisset is a French designer with an original story. After studying economics and business at ESSEC and IEP in Paris, followed by a year in the parliament in Tokyo she chose to focus on design. In 2007 she graduated from ENSCI - Les Ateliers and founded her studio. She quickly earned recognition through winning prizes such as the Grand Prix du Design de la ville de Paris in 2008, the public prize at the Design Parade in Villa Noailles 2009, and finally in 2010 both the designer of the year at Maison et Objet, and the Audi Talent Awards. Her different research paths have led her to work with

Petite Friture, Fontana Arte and Molteni amongst others for product design. In addition she has worked with Angelin Preljocaj, Established & Sons and Galeries Lafayette notably working with the latter on scenography, and has worked with video for Le Musée des Arts Décoratifs and the design Biennale in Saint-Étienne.

*« My research finds multiple applications in scenography, object design and videos. I attach myself to creating light, animated objects in which the elegant fluidity creates surprise and evasion through dreaming. »*

**VERTIGO...**  
**ACCORDING TO ITS DESIGNER :**

*« Vertigo is a den-lamp; it wraps around you, reducing space to an intimate atmosphere. Due to its extreme lightness, air currents make it slightly lose its balance and turn slowly. Vertigo seems to float, with the light on, it creates a pattern of shadows on the walls. »*

Vertigo is, in the words of its designer, a “den lamp”. It is simultaneously ethereal and graphic, adapting to both large and small spaces where it creates its own intimate space. With its ultra-light fibreglass structure, stretched with velvety polyurethane ribbons, this pendant lamp fascinates as it comes to life swaying in the soft air currents that surround it.

DIMENSIONS & WEIGHTS

SMALL

Ø: 140 cm; H: 15 cm  
W: <0.5 kg

Packaging: 70x70x20 cm

LARGE

Ø: 200 cm; H: 17 cm  
W: <0.5 kg

Packaging: 70x70x20 cm

## TECHNICAL SPECIFICATIONS

- Environment : indoor
- Made in Europe  
(France)

220-240 V 50-60 Hz

- Bulb not provided
- Mesh textile cable 3 m
- Socket and ceiling cup white or black plastic
- Large ceiling cup provided
- Two persons advised for the folding / unfolding
- Ribbon laid by hand

## COLOURS & MATERIALS

- Fiberglass, iron, polyurethane
