

HIGH STOOL SOAPED OAK

The Mater High Stool is designed by the Danish architect duo Space Copenhagen and is regarded as a *New Danish Classic*. With its organic yet minimalist style, this bar stool is suitable for both residential and commercial use. The wood is FSC certified - the label for responsible forestry - with a water-based stain. The upholstery is genuine leather.

CARE AND MAINTENANCE

- Avoid exposing the chair to high humidity areas and keep away from fireplaces, as it can be harmful and create cracks in the wooden frame and change the color of leather.
- Clean only with a slightly damp, soft, lint-free cloth or. Wipe dry with a dry, soft cloth. Do not use any cleaning agents as it could cause damaging of leather and wooden base. In case of large-scale stains we advise you to contact a professional furniture cleaning service.
- To clean soaped oak, lightly sand the surface with sandpaper grade 220 or 240. Then wipe with a dry soft cloth on the direction of the wood grain and apply the white soap following the wood grain.
