

# chouchou

by Lorenzo Zanovello  
STOOL

The distinct form is a substitute for the caramelized smell of its peanut candy namesake. Just too hard to resist, its ceramic form adds a tactile feel to the chouchou stool. Available in a black, deep blue or deep pink gloss glaze, its shape speaks to the history of ceramic design in a contemporary form. A truly unique addition to any interior: Who wouldn't want a chance encounter with chouchou a little more often?
