RECYCLED A COLLECTION OF RECYCLED GLASS

WHY RECYCLED GLASS?

- SAVES THE EARTH'S RAW MATERIALS
Sand is a scarce resource
- A BETTER SOLUTION
Production is at a lower temperature than with the use of new raw materials. Thus, we save energy and get a lower CO₂-emission

High quality glass

The glass does not lose its qualities when recycled

The products get a unique design expression

RECYCLED CARAFE & TUMBLER

- The perfect imperfect - each glass and carafe is unique in that the material is unique
