

OKU COFFEE TABLE

Kristian Sofus Hansen & Nicolaj Nøddesbo

Oku is an interpretation of the Japanese word for oak 'Öku'. Oku refers to the essence of the design - oak. "Through experiments with the balance between lightness and heaviness, making it paper thin when seen from one angle and solid from others, we've emphasised the material in a simple design".

The Oku table top is produced in oak veneer with round edges, adding an elegant lightness to the large surface. The legs of turned oak timber sections, is positioned sporadic to create the illusion of a floating table top, while also adding a sculptural detail to the table.
