# Androgyne Dining Table, Rectangular 210 x 100

BY DANIELLE SIGGERUD

The Androgyne Collection pairs natural materials and sculptural forms to striking effect, taking its name from its blend of the masculine and feminine. A bold, confident take on a table, the rectangular iteration amplifies the dimensions of the collection's dining table to grander proportions. The architect-designed piece, crafted with a wood veneer top and base, serves as a community-style table, with room to seat from 8-10 individuals. Available in 210 cm and 280 cm, its artistic silhouette balances function and beauty.
