FLEXLUX
Embrace your Space

The Flexlux fabric collection welcomes five new upholstery fabrics - **Scala, Burano, Roma, Rock, Wildflower**. Furthermore, we add two new colors to one of our bestselling fabrics, Bormio. The two new colors are Olive and Magnolia.

Each fabric has been carefully selected to provide comfort, durability and exceptional aesthetics. The five new fabrics adds a trendy and innovative touch to the Flexlux collection. All fabrics are OEKO-TEX certified, just as all other Flexlux fabrics.

Earlier this year, we introduced Matino and Divine Velvet. These two fabrics are now among our best-selling fabrics in 2023.

The five new fabrics are ready to order now. The colors are calm yet trendy. Explore the fabrics and colors on the following pages.
