COBRA TABLE LAMP

A tribute to the Cobra Arts Movement of the 1960s, the Cobra Table Lamp is the epitome of quirky lamps that will add joy to any interior setting. Think whimsical, soft and organic shapes unmistakably reminiscent of a human silhouette. True to the Cobra artists way of working, the design takes its starting point in naive hand sketches leading to bodily silhouette. As the ceramic lamp base is a hand glazed natural product, the colours may vary slightly.
