# ERA CHANDELIER

The Era Chandelier is an elegant statement lamp inspired by the clear lines and geometric shapes of the 20's Art Deco Movement. With three opal glass globes resting effortlessly on a light, powder-coated iron structure, the chandelier has a feminine and delicate expression, which nods to the distinctive era and represents everything we love about timeless design and simplicity in construction. Let the Era Chandelier adorn your hallway, stairways, or light up the conversation at the dinner table.

### *Life is full of contrasts*

As we navigate expectations and dreams in the search for meaning and comfort, we long for a balanced life with room for chaos and calm, moments of reflection and times of joy. A place where we can be ourselves, realise the true value of things and feel at home.

Based on a passion for authentic design and clear functionality, we challenge ourselves to shape the future and take pride in creating products that help you balance the contrasts of life.

Our soft forms, rich textures and deep colours allow you to create an authentic and composed atmosphere, while avant-garde shapes, striking patterns and curious details add a touch of the unexpected.

From our base in Copenhagen, we work with artisans around the world, fusing our Scandinavian mindset with global skills and traditions. We take our responsibility to people and the planet seriously and expect the same of our partners.

We create collections of furniture, accessories and lighting, so you can create space to feel comfortably you.

Welcome home.
