Dedo

Product facts

Materials

Body	Solid oak
Finish	Hardwax oil
Cushions	Leather or fabric upholstery

Technical features

Frame

Dedo frame is fully made out of solid wood - oak. The lounge chair backrest is stiffened with elastic cotton ropes, which provide cushion support. Felten gliders are attached to the lounge chair legs and are suitable for most flooring options, while the footstool comes in a curved rocking base and does not include gliders.

Upholstery

Seat cushion is attached to the frame body, while the lounge chair has additional height-adjustable head and back cushions, which are connected with the belts. Two material options for upholstery are available: leather or fabric, while cushion belts are always in leather options. For further information please see Available materials and colours page in this document.

Finish

Wooden parts are available in two plant-based Hardwax oil finishes (colours), which retain the wood's natural state, as a white or natural oil.

Cleaning

Please see [Product](#) or [Material](#) page on our website.

Notes to consider

Variations

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.

Product changes

Please note that Gazzda reserves the right to alter construction and design without notice.

Dimensions (tolerances)

The dimensions shown are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes. Deviations from the specified size may occur, usually no more than 1 cm.

For all additional inquiries regarding Dedo lounge chair and Dedo footstool please feel free to [contact us](#).
