BY DANIEL SCHOFIELD

With its distinctive, minimalist silhouette the Ray Table Lamp, Portable is inspired by old mining lamps. Made with indoor and outdoor use in mind, the dimmable lamp in two classic colours offers on-the-go illumination, adjustable to three settings. The cordless design charges via a concealed magnetic connector and USB cable. The cable charges with a standard USB charger plug. Comes without charger plug. To preserve battery life, switch the lamp off when charging and do not leave plugged in while in use.
