

FIN SIDE TABLE

Kristian Sofus Hansen & Tommy Hyldahl

Fin Side Table is a minimal furniture piece, designed with the intention to fit into many different interior settings. Using known shapes and components from the NORR11 collection the table has references to our classics and is designed to fit well with our Mammoth and Elephant collection.

Fin comes with a top of solid oak with round edges, making it paper thin seen from one angle and solid from another. The table has two turned oak timber sections, contrasted by a fin-shaped leg of massive oak.
