

Ivy / Coffee table 135x74 Design / Paola Navone

Translating a new outdoor living concept - a steel living area influenced by industrial design - Ivy is a collection of sculptural furniture with straight, formal lines. Soft, sinuous chairs pair up naturally with large dining tables. A defining feature of this collection is the steel mesh sheet interacting with voids and solids, achieving an effect of airy lightness. Imposing hollow forms, which merge with the surrounding nature, harmonise with the interwoven motifs in perfect balance.
